

Heron Island Dive Festival 2012

Wednesday 25 July – Sunday 29 July

Heron Island is celebrating its status as one of Australia's top dive destinations with the Heron Island Dive Festival. Heron is known the world over for its excellent Great Barrier Reef dive sites, fantastic coral gardens and pinnacles, all just minutes from the beach.

Join us for the experience of a lifetime.

A series of inspirational presentations

Key note speakers

- Gary Bell – Award winning nature photographer
- Dave Harasti – Marine scientist & underwater photographer
- John Lippmann – CEO Divers Alert Network Asia-Pacific
- Bob Halstead – Underwater photographer

In the water

Dives and snorkeling

- 2 dives per day & the option of a night dive
- Discover Scuba and novice dive courses, each morning for those not certified
- Guided snorkelling tours off the beach and at the spectacular dive sites

On the land

Food, wine & fun

- Wine tasting daily
- Gala dinner & feature presentations from the week's events on the last evening

What to expect

Get up close with Manta Rays, Turtles and Sharks

- Diving at Heron is diverse, with an average depth of around 15 to 35 metres
- Snorkellers can enjoy the shallow reefs that come up to within two or three metres of the surface
- The reef off Heron Island is home to around 60% of the 1,500 species of fish and around 72% of the coral species found in the Great Barrier Reef

Priced from \$1256 per person, which includes 4 nights accommodation, 2 dives daily (per diver booked), 3 meals daily, return launch transfers from Gladstone, tanks and weights.

Over 20 different dive sites to explore.

Get up close with Manta Rays, Turtles and Sharks.

Crystal clear waters.
